

## Seminar - Data Protection Subject Access - the tactics, the impact of the GDPR and a practical guide.

GQ|Littler hosted a seminar on data protection.

The use of data subject access requests by disgruntled employees in disputes has become a favourite weapon of claimant lawyers. Responding can be incredibly time consuming and expensive. The risk of getting it wrong will radically increase following the implementation of the GDPR in May 2018.

Wednesday 10 October 2017

18:00 - 20:00

London Executive Offices  
The Gold Room  
1 Cornhill
