

Sexual harassment in the technology sector

HR - 10 December

The culture of tech giants has been accused of ignoring or perpetuating harassment and gender discrimination.

As out-of-office responses go this one was sure to get people's attention. A leaflet left on the desks of Google employees read: 'Hi, I'm not at my desk because I'm walking out in solidarity with other Googlers and contractors to protest sexual harassment, misconduct, lack of transparency, and a workplace culture that's not working for everyone. I'll be back later'.
